

## ***Little Ambassadors — Out in the World*** **With Kawaiahao Church School**

Please join us for a session of new material:

### **JAPANESE** classes with *Little Ambassadors!*

Our classes utilize an **immersion approach**. Kazumi Sensei uses only Japanese to actively engage children in a variety of songs, games, and arts and crafts activities. This session we are covering themes such as festival words and simple questions. We review greetings and courtesies, numbers, and colors, using music and song as aids in teaching these concepts.

**Classes offered:** Fridays at 2:30-3:10pm

**Session dates:** August 26 – November 18, 2011

**Cost:** \$140 for the session, including CD and coloring materials for at-home reinforcement

***\*Minimum enrollment 4 per class/maximum 10. Please register by Friday, August 19th.***

Make-up policy: If you miss a class, you may arrange to attend up to two make-up classes at *Little Ambassadors* at 725 Kapiolani Blvd., Ste C106 (in Imperial Plaza).
