

Bless This Land

Hear our prayer, Ke Akua, bless this land
From the Kuahiwi to the glistening sand
Crimson blossoms of lehua dance your
praises in the wind

Let us honor our kupuna , bless this land

Let the life-giving waters flow freely in
the streams

Through endless fields of Kalo,
swaying canopies of green

Heal our people and guide us with your
loving hands

(repeat)

Aloha Ke Akua , Bless this land
Aloha ke Akua , Bless this land
Aloha Ke Akua , Bless this land
