

Hip Hip Hip Hippopotamus

In the begining God made the sea
and the forest filled with trees
He made the mountains up so high
on the very top He placed the sky

God's fingerprints are everywhere
just to show how much He cares
and in between He had loads of fun
He made a hippo who weighs a ton!!

(chorus) Hip hip hip hippopotamus!
hip hip hooray! God made all of us!
Hip hip hip hippopotamus!
Hip hip hooray! He made us!

(Repeat)

Creation sings of his praise the sparrow
and the tiny babe we shall sing and say
well done

Some things He just made for fun
