

O My Heart Sings Praise

So much to be thankful for

So much to be thankful for

Where would I start

Many gifts to thank you for

Many blessings you've restored where would I start

Grace abounding, mercy shining, waking up the dawn with light

Love that covers grace that orders

This is what my heart will say

(chorus) O my heart sings, o my heart sings

O my heart sings praise

Let everything that has breath Praise the Lord

From the north to the south

From the east to the west

Let everything that has breath praise (3)
