

KAWAIAHA'O CHURCH SCHOOL KULA KAUWELA 2022

This summer's theme will focus on the many different Ecosystems of Hawai'i from the mountains cloud forest, rain forest, mesic forest and dry forest to the ocean and coral reefs. How a healthy relationship between all these ecosystems is important for both people and animals, based on curriculum from Kamehameha Publishing. The program will include hands on activities; an integrated S.T.E.A.M. curriculum related to our home in Hawai'i.

Kawaiaha'o Church School's Summer Program is a great way to continue to give keiki exposure to 'ōlelo Hawai'i (Hawaiian language), teach keiki about unique plants and wildlife native to Hawai'i, and to share Hawaiian culture and values. Keiki will be learning in an indoor-outdoor classroom environment.

Drop-off and Pickup:

- Drop-off and pick-ups will be through our morning and afternoon auto-line, which is considered the best health and safety practice.
- We are continuing curbside auto-line between 7:00-8:00am in the morning and 2:00-2:30pm in the afternoon; pickup after 2:30pm will incur a late charge of \$1.00 per minute. We ask all of our keiki to come to school by 8am and we will be monitoring the flow of traffic and effectiveness of the drop-off and pick-up procedures and adjust if needed.
At auto-line, a staff member will greet and help your keiki out of the vehicle along with their school belongings.
- We ask that you please remain in your vehicle wearing a mask to ensure we can keep auto line flowing efficiently.
- We ask that whenever possible, the pickup and drop off person are the same person. We strongly recommend that the designated pickup/drop off person be a family member that is not in the immune-compromised category in case there is any exposure to COVID-19 or other viruses. However, we know in some cases this cannot be avoided, and we will leave this up to each individual family to decide.
- If you are walking your keiki to school, you may drop them off at the designated auto-line area.
- We ask that parent/guardians wear facemasks when they are participating in auto-line whether they are in a vehicle or walking, and to practice 6-foot social distancing with non-family/household members.
- We ask all keiki's to wear a facemask during auto-line and throughout the school day.
